Subpart A—Capital Categories

§ 6.1 Authority, purpose, scope, and other supervisory authority.

(a) *Authority.* This part is issued by the Office of the Comptroller of the Currency (OCC) pursuant to section 38 (section 38) of the Federal Deposit Insurance Act (FDI Act) as added by section 131 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (Pub. L. 102-242, 105 Stat. 2236 (1991)) (12 U.S.C. 1831o).

(b) *Purpose.* Section 38 of the FDI Act establishes a framework of supervisory actions for insured depository institutions that are not adequately capitalized. The principal purpose of this subpart is to define, for insured national banks, the capital measures and capital levels, and for insured federal branches, comparable asset-based measures and levels, that are used for determining the supervisory actions authorized under section 38 of the FDI Act. This part 6 also establishes procedures for submission and review of capital restoration plans and for issuance and review of directives and orders pursuant to section 38.

(c) *Scope.* This subpart implements the provisions of section 38 of the FDI Act as they apply to insured national banks and insured federal branches. Certain of these provisions also apply to officers, directors and employees of these insured institutions. Other provisions apply to any company that controls an insured national bank or insured federal branch and to the affiliates of an insured national bank or insured federal branch.

(d) *Other supervisory authority.* Neither section 38 nor this part in any way limits the authority of the OCC under any other provision of law to take supervisory actions to address unsafe or unsound practices, deficient capital levels, violations of law, unsafe or unsound conditions, or other practices. Action under section 38 of the FDI Act and this part may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the OCC, including issuance of cease and desist orders, capital directives, approval or denial of applications or notices, assessment of civil money penalties, or any other actions authorized by law.

(e) *Disclosure of capital categories.* The assignment of an insured national bank or insured federal branch under this subpart within a particular capital category is for purposes of implementing and applying the provisions of section 38. Unless permitted by the OCC or otherwise required by law, no bank may state in any advertisement or promotional material its capital category under this subpart or that the OCC or any other federal banking agency has

assigned the bank to a particular capital category.

§ 6.2 Definitions.

For purposes of section 38 and this part, the definitions related to capital in part 3 of this chapter shall apply. In addition, except as modified in this section or unless the context otherwise requires, the terms used in this subpart have the same meanings as set forth in section 38 and section 3 of the FDI Act.

(a) *Bank* means all insured national banks and all insured federal branches, except where otherwise provided in this subpart.

(b)(1) *Control* has the same meaning assigned to it in section 2 of the Bank Holding Company Act (12 U.S.C. 1841), and the term controlled shall be construed consistently with the term control.

(2) *Exclusion for fiduciary ownership.* No insured depository institution or company controls another insured depository institution or company by virtue of its ownership or control of shares in a fiduciary capacity. Shares shall not be deemed to have been acquired in a fiduciary capacity if the acquiring insured depository institution or company has sole discretionary authority to exercise voting rights with respect thereto.

(3) *Exclusion for debts previously contracted.* No insured depository institution or company controls another insured depository institution or company by virtue of its ownership or control of shares acquired in securing or collecting a debt previously contracted in good faith, until two years after the date of acquisition. The two-year period may be extended at the discretion of the appropriate federal banking agency for up to three one-year periods.

(c) *Controlling person* means any person having control of an insured depository institution and any company controlled by that person.

(d) *Leverage ratio* means the ratio of Tier 1 capital to adjusted total assets, as calculated in accordance with the OCC's Minimum Capital Ratios in part 3 of this chapter.

(e) *Management fee* means any payment of money or provision of any other thing of value to a company or

individual for the provision of management services or advice to the bank or related overhead expenses, including payments related to supervisory, executive, managerial, or policymaking functions, other than compensation to an individual in the individual's capacity as an officer or employee of the bank.

(f) *Risk-weighted assets* means total risk weighted assets, as calculated in accordance with the OCC's Minimum Capital Ratios in part 3 of this chapter.

(g) *Tangible equity* means the amount of Tier 1 capital elements in the OCC's Risk-Based Capital Guidelines (appendix A to part 3 of this chapter) plus the amount of outstanding cumulative perpetual preferred stock (including related surplus) minus all intangible assets except mortgage servicing assets to the extent permitted in Tier 1 capital under section 2(c)(2) in appendix A to part 3 of this chapter.

(h) *Tier 1 capital* means the amount of Tier 1 capital as defined in the OCC's Minimum Capital Ratios in part 3 of this chapter.

(i) *Tier 1 risk-based capital ratio* means the ratio of Tier 1 capital to risk weighted assets, as calculated in accordance with the OCC's Minimum Capital Ratios in part 3 of this chapter.

(j) *Total assets* means quarterly average total assets as reported in a bank's Consolidated Reports of Condition and Income (Call Report), minus intangible assets as provided in the definition of tangible equity. The OCC reserves the right to require a bank to compute and maintain its capital ratios on the basis of actual, rather than average, total assets when computing tangible equity.

(k) *Total risk-based capital ratio* means the ratio of qualifying total capital to risk-weighted assets, as calculated in accordance with the OCC's Minimum Capital Ratios in part 3 of this chapter.

[57 FR 44891, Sept. 29, 1992, as amended at 60 FR 39229, Aug. 1, 1995; 63 FR 42674, Aug. 10, 1998]

§ 6.3 Notice of capital category.

(a) *Effective date of determination of capital category.* A bank shall be deemed to be within a given capital category for purposes of section 38 of the FDI Act and this part as of the date the bank is notified of, or is deemed to

§ 6.4

12 CFR Ch. I (1–1–11 Edition)

(b) *Notice of capital category.* A bank shall be deemed to have been notified of its capital levels and its capital category as of the most recent date:

(1) A Consolidated Report of Condition and Income (Call Report) is required to be filed with the OCC;

(2) A final report of examination is delivered to the bank; or

(3) Written notice is provided by the OCC to the bank of its capital category for purposes of section 38 of the FDI Act and this part or that the bank's capital category has changed as provided in paragraph (c) of this section or § 6.1 of this subpart and subpart M of part 19 of this chapter.

(c) *Adjustments to reported capital levels and capital category*—(1) *Notice of adjustment by bank.* A bank shall provide the OCC with written notice that an adjustment to the bank's capital category may have occurred no later than 15 calendar days following the date that any material event has occurred that would cause the bank to be placed in a lower capital category from the category assigned to the bank for purposes of section 38 and this part on the basis of the bank's most recent Call Report or report of examination.

(2) *Determination to change capital category.* After receiving notice pursuant to paragraph (c)(1) of this section, the OCC shall determine whether to change the capital category of the bank and shall notify the bank of the OCC's determination.

§ 6.4 Capital measures and capital category definitions.

(a) *Capital measures.* For purposes of section 38 and this part, the relevant capital measures shall be:

(1) The total risk-based capital ratio;

(2) The Tier 1 risk-based capital ratio;

(3) The leverage ratio.

(b) *Capital categories.* For purposes of the provisions of section 38 and this part, a bank shall be deemed to be:

(1) *Well capitalized* if the bank:

(i) Has a total risk-based capital ratio of 10.0 percent or greater; and

(ii) Has a Tier 1 risk-based capital ratio of 6.0 percent or greater; and

(2) *Adequately capitalized* if the bank:

(i) Has a total risk-based capital ratio of 8.0 percent or greater; and

(ii) Has a Tier 1 risk-based capital ratio of 4.0 percent or greater; and

(iii) Has:

(A) A leverage ratio of 4.0 percent or greater; or

(B) A leverage ratio of 3.0 percent or greater if the bank is rated 1 in the most recent examination of the bank; and

(iv) Does not meet the definition of a well capitalized bank.

(3) *Undercapitalized* if the bank:

(i) Has a total risk-based capital ratio that is less than 8.0 percent; or

(ii) Has a Tier 1 risk-based capital ratio that is less than 4.0 percent; or

(ii) A Tier 1 risk-based capital ratio that is less than 3.0 percent; or

(iii) A leverage ratio that is less than 3.0 percent.

(5) *Critically undercapitalized* if the bank has a ratio of tangible equity to total assets that is equal to or less than 2.0 percent.

(c) *Capital categories for insured federal branches.* For purposes of the provisions of section 38 of the FDI Act and this part, an insured federal branch shall be deemed to be:

(1) *Well capitalized* if the insured federal branch:

(i) Maintains the pledge of assets required under 12 CFR 347.210; and

(ii) Maintains the eligible assets prescribed under 12 CFR 347.211 at 108 percent or more of the preceding quarter's average book value of the insured branch's third-party liabilities; and

(iii) Has not received written notification from:

(A) The OCC to increase its capital equivalency deposit pursuant to § 28.6(a) of this chapter, or to comply with asset maintenance requirements pursuant to § 28.9 of this chapter; or

(B) The FDIC to pledge additional assets pursuant to 12 CFR 346.19 or to maintain a higher ratio of eligible assets pursuant to 12 CFR 346.20.

(2) *Adequately Capitalized* if the insured federal branch:

(i) Maintains the pledge of assets prescribed under 12 CFR 346.19; and

(ii) Maintains the eligible assets prescribed under 12 CFR 346.20 at 106 percent or more of the preceding quarter's average book value of the insured branch's third-party liabilities; and

(iii) Does not meet the definition of a well capitalized insured federal branch.

(3) *Undercapitalized* if the insured federal branch:

(i) Fails to maintain the pledge of assets required under 12 CFR 346.19; or

(ii) Fails to maintain the eligible assets prescribed under 12 CFR 346.20 at 106 percent or more of the preceding quarter's average book value of the insured branch's third-party liabilities.

(4) *Significantly undercapitalized* if it fails to maintain the eligible assets prescribed under 12 CFR 346.20 at 104 percent or more of the preceding quarter's average book value of the insured federal branch's third-party liabilities.

(5) *Critically undercapitalized* if it fails to maintain the eligible assets prescribed under 12 CFR 346.20 at 102 percent or more of the preceding quarter's average book value of the insured federal branch's third-party liabilities.

(d) *Reclassification based on supervisory criteria other than capital.* The OCC may reclassify a well capitalized bank as adequately capitalized and may require an adequately capitalized or an undercapitalized bank to comply with certain mandatory or discretionary supervisory actions as if the bank were in the next lower capital

category (except that the OCC may not reclassify a significantly undercapitalized bank as critically undercapitalized) (each of these actions are hereinafter referred to generally as reclassifications) in the following circumstances:

(1) *Unsafe or unsound condition.* The OCC has determined, after notice and opportunity for hearing pursuant to subpart M of part 19 of this chapter, that the bank is in unsafe or unsound condition; or

(2) *Unsafe or unsound practice.* The OCC has determined, after notice and opportunity for hearing pursuant to subpart M of part 19 of this chapter, that in the most recent examination of the bank, the bank received, and has not corrected a less-than-satisfactory rating for any of the categories of asset quality, management, earnings, or liquidity.

[57 FR 44891, Sept. 29, 1992, as amended at 68 FR 70131, Dec. 17, 2003]

§ 6.5 Capital restoration plans.

(a) *Schedule for filing plan*—(1) *In general.* A bank shall file a written capital restoration plan with the OCC within 45 days of the date that the bank receives notice or is deemed to have notice that the bank is undercapitalized, significantly undercapitalized, or critically undercapitalized, unless the OCC notifies the bank in writing that the plan is to be filed within a different period. An adequately capitalized bank that has been required pursuant to § 6.4 and subpart M of part 19 of this chapter to comply with supervisory actions as if the bank were undercapitalized is not required to submit a capital restoration plan solely by virtue of the reclassification.

(2) *Additional capital restoration plans.* Notwithstanding paragraph (a)(1) of this section, a bank that has already submitted and is operating under a capital restoration plan approved under section 38 and this subpart is not required to submit an additional capital restoration plan based on a revised calculation of its capital measures or a reclassification of the institution under § 6.4 and subpart M of part 19 of this chapter unless the OCC notifies the bank that it must submit a new or

revised capital plan. A bank that is notified that it must submit a new or revised capital restoration plan shall file the plan in writing with the OCC within 45 days of receiving such notice, unless the OCC notifies the bank in writing that the plan must be filed within a different period.

(b) *Contents of plan.* All financial data submitted in connection with a capital restoration plan shall be prepared in accordance with the instructions provided on the Call Report, unless the OCC instructs otherwise. The capital restoration plan shall include all of the information required to be filed under section 38(e)(2) of the FDI Act. A bank that is required to submit a capital restoration plan as the result of a reclassification of the bank, pursuant to §6.4 and subpart M of part 19 of this chapter, shall include a description of the steps the bank will take to correct the unsafe or unsound condition or practice. No plan shall be accepted unless it includes any performance guarantee described in section 38(e)(2)(C) of that Act by each company that controls the bank.

(c) *Review of capital restoration plans.* Within 60 days after receiving a capital restoration plan under this subpart, the OCC shall provide written notice to the bank of whether the plan has been approved. The OCC may extend the time within which notice regarding approval of a plan shall be provided.

(d) *Disapproval of capital restoration plan.* If a capital restoration plan is not approved by the OCC, the bank shall submit a revised capital restoration plan within the time specified by the OCC. Upon receiving notice that its capital restoration plan has not been approved, any undercapitalized bank (as defined in §6.4) shall be subject to all of the provisions of section 38 and this part applicable to significantly undercapitalized institutions. These provisions shall be applicable until such time as a new or revised capital restoration plan submitted by the bank has been approved by the OCC.

(e) *Failure to submit a capital restoration plan.* A bank that is undercapitalized (as defined in §6.4) and that fails to submit a written capital restoration plan within the period provided in this section shall, upon the expiration of

that period, be subject to all of the provisions of section 38 and this part applicable to significantly undercapitalized banks.

(f) *Failure to implement a capital restoration plan.* Any undercapitalized bank that fails, in any material respect, to implement a capital restoration plan shall be subject to all of the provisions of section 38 and this part applicable to significantly undercapitalized banks.

(g) *Amendment of capital restoration plan.* A bank that has submitted an approved capital restoration plan may, after prior written notice to and approval by the OCC, amend the plan to reflect a change in circumstance. Until such time as a proposed amendment has been approved, the bank shall implement the capital restoration plan as approved prior to the proposed amendment.

(h) *Notice to FDIC.* Within 45 days of the effective date of OCC approval of a capital restoration plan, or any amendment to a capital restoration plan, the OCC shall provide a copy of the plan or amendment to the Federal Deposit Insurance Corporation.

(i) *Performance guarantee by companies that control a bank—(1) Limitation on liability—(i) Amount limitation.* The aggregate liability under the guarantee provided under section 38 and this subpart for all companies that control a specific bank that is required to submit a capital restoration plan under this subpart shall be limited to the lesser of:

(A) An amount equal to 5.0 percent of the bank's total assets at the time the bank was notified or deemed to have notice that the bank was undercapitalized; or

(B) The amount necessary to restore the relevant capital measures of the bank to the levels required for the bank to be classified as adequately capitalized, as those capital measures and levels are defined at the time that the bank initially fails to comply with a capital restoration plan under this subpart.

(ii) *Limit on duration.* The guarantee and limit of liability under section 38 and this subpart shall expire after the OCC notifies the bank that it has remained adequately capitalized for each

of four consecutive calendar quarters. The expiration or fulfillment by a company of a guarantee of a capital restoration plan shall not limit the liability of the company under any guarantee required or provided in connection with any capital restoration plan filed by the same bank after expiration of the first guarantee.

(iii) *Collection on guarantee.* Each company that controls a given bank shall be jointly and severally liable for the guarantee for such bank as required under section 38 and this subpart, and the OCC may require payment of the full amount of that guarantee from any or all of the companies issuing the guarantee.

(2) *Failure to provide guarantee.* In the event that a bank that is controlled by any company submits a capital restoration plan that does not contain the guarantee required under section 38(e)(2) of the FDI Act, the bank shall, upon submission of the plan, be subject to the provisions of section 38 and this part that are applicable to banks that have not submitted an acceptable capital restoration plan.

(3) *Failure to perform guarantee.* Failure by any company that controls a bank to perform fully its guarantee of any capital plan shall constitute a material failure to implement the plan for purposes of section 38(f) of the FDI Act. Upon such failure, the bank shall be subject to the provisions of section 38 and this part that are applicable to banks that have failed in a material respect to implement a capital restoration plan.

(j) *Enforcement of capital restoration plan.* The failure of a bank to implement, in any material respect, a capital restoration plan required under section 38 and this section shall subject the bank to the assessment of civil money penalties pursuant to section 8(i)(2)(A) of the FDI Act.

§ 6.6 Mandatory and discretionary supervisory actions under section 38.

(a) *Mandatory supervisory actions—(1) Provisions applicable to all banks.* All banks are subject to the restrictions contained in section 38(d) of the FDI Act on payment of capital distributions and management fees.

(2) *Provisions applicable to undercapitalized, significantly undercapitalized, and critically undercapitalized banks.* Immediately upon receiving notice or being deemed to have notice, as provided in § 6.3, that the bank is undercapitalized, significantly undercapitalized, or critically undercapitalized, the bank shall become subject to the provisions of section 38 of the FDI Act—

(i) Restricting payment of capital distributions and management fees (section 38(d));

(ii) Requiring that the OCC monitor the condition of the bank (section 38(e)(1));

(iii) Requiring submission of a capital restoration plan within the schedule established in this subpart (section 38(e)(2));

(iv) Restricting the growth of the bank's assets (section 38(e)(3)); and

(v) Requiring prior approval of certain expansion proposals (section 38(e)(4)).

(3) *Additional provisions applicable to significantly undercapitalized, and critically undercapitalized banks.* In addition to the provisions of section 38 of the FDI Act described in paragraph (a)(2) of this section, immediately upon receiving notice or being deemed to have notice, as provided in this subpart, that the bank is significantly undercapitalized, or critically undercapitalized or that the bank is subject to the provisions applicable to institutions that are significantly undercapitalized because it has failed to submit or implement, in any material respect, an acceptable capital restoration plan, the bank shall become subject to the provisions of section 38 of the FDI Act that restrict compensation paid to senior executive officers of the institution (section 38(f)(4)).

(4) *Additional provisions applicable to critically undercapitalized banks.* In addition to the provisions of section 38 of the FDI Act described in paragraphs (a)(2) and (3) of this section, immediately upon receiving notice or being deemed to have notice, as provided in § 6.3, that the bank is critically undercapitalized, the bank shall become subject to the provisions of section 38 of the FDI Act—

§ 6.20

(i) Restricting the activities of the bank (section 38(h)(1)); and

(ii) Restricting payments on subordinated debt of the bank (section 38(h)(2)).

(b) *Discretionary supervisory actions.* In taking any action under section 38 that is within the OCC's discretion to take in connection with a bank that is deemed to be undercapitalized, significantly undercapitalized, or critically undercapitalized, or has been reclassified as undercapitalized or significantly undercapitalized; an officer or director of such bank; or a company that controls such bank, the OCC shall follow the procedures for issuing directives under subpart B of this part and subpart N of part 19 of this chapter, unless otherwise provided in section 38 or this part.

Subpart B—Directives To Take Prompt Corrective Action

§ 6.20 Scope.

The rules and procedures set forth in this subpart apply to insured national banks, insured federal branches and senior executive officers and directors of banks that are subject to the provisions of section 38 of the Federal Deposit Insurance Act (section 38) and subpart A of this part.

§ 6.21 Notice of intent to issue a directive.

(a) *Notice of intent to issue a directive—*
(1) *In general.* The OCC shall provide an undercapitalized, significantly undercapitalized, or critically undercapitalized bank prior written notice of the OCC's intention to issue a directive requiring such bank or company to take actions or to follow proscriptions described in section 38 that are within the OCC's discretion to require or impose under section 38 of the FDI Act, including section 38 (e)(5), (f)(2), (f)(3), or (f)(5). The bank shall have such time to respond to a proposed directive as provided under § 6.22.

(2) *Immediate issuance of final directive.* If the OCC finds it necessary in order to carry out the purposes of section 38 of the FDI Act, the OCC may, without providing the notice prescribed in paragraph (a)(1) of this section, issue a directive requiring a bank imme-

12 CFR Ch. I (1–1–11 Edition)

diately to take actions or to follow proscriptions described in section 38 that are within the OCC's discretion to require or impose under section 38 of the FDI Act, including section 38 (e)(5), (f)(2), (f)(3), or (f)(5). A bank that is subject to such an immediately effective directive may submit a written appeal of the directive to the OCC. Such an appeal must be received by the OCC within 14 calendar days of the issuance of the directive, unless the OCC permits a longer period. The OCC shall consider any such appeal, if filed in a timely matter, within 60 days of receiving the appeal. During such period of review, the directive shall remain in effect unless the OCC, in its sole discretion, stays the effectiveness of the directive.

(b) *Contents of notice.* A notice of intention to issue a directive shall include:

(1) A statement of the bank's capital measures and capital levels;

(2) A description of the restrictions, prohibitions or affirmative actions that the OCC proposes to impose or require;

(3) The proposed date when such restrictions or prohibitions would be effective or the proposed date for completion of such affirmative actions; and

(4) The date by which the bank subject to the directive may file with the OCC a written response to the notice.

§ 6.22 Response to notice.

(a) *Time for response.* A bank may file a written response to a notice of intent to issue a directive within the time period set by the OCC. The date shall be at least 14 calendar days from the date of the notice unless the OCC determines that a shorter period is appropriate in light of the financial condition of the bank or other relevant circumstances.

(b) *Content of response.* The response should include:

(1) An explanation why the action proposed by the OCC is not an appropriate exercise of discretion under section 38;

(2) Any recommended modification of the proposed directive; and

(3) Any other relevant information, mitigating circumstances, documentation, or other evidence in support of

the position of the bank regarding the proposed directive.

(c) *Failure to file response.* Failure by a bank to file with the OCC, within the specified time period, a written response to a proposed directive shall constitute a waiver of the opportunity to respond and shall constitute consent to the issuance of the directive.

§ 6.23 Decision and issuance of a prompt corrective action directive.

(a) *OCC consideration of response.* After considering the response, the OCC may:

- (1) Issue the directive as proposed or in modified form;
- (2) Determine not to issue the directive and so notify the bank; or
- (3) Seek additional information or clarification of the response from the bank, or any other relevant source.

(b) [Reserved]

§ 6.24 Request for modification or rescission of directive.

Any bank that is subject to a directive under this subpart may, upon a change in circumstances, request in writing that the OCC reconsider the terms of the directive, and may propose that the directive be rescinded or modified. Unless otherwise ordered by the OCC, the directive shall continue in place while such request is pending before the OCC.

§ 6.25 Enforcement of directive.

(a) *Judicial remedies.* Whenever a bank fails to comply with a directive issued under section 38, the OCC may seek enforcement of the directive in the appropriate United States district court pursuant to section 8(i)(1) of the FDI Act.

(b) *Administrative remedies.* Pursuant to section 8(i)(2)(A) of the FDI Act, the OCC may assess a civil money penalty against any bank that violates or otherwise fails to comply with any final directive issued under section 38 and against any institution-affiliated party who participates in such violation or noncompliance.

(c) *Other enforcement action.* In addition to the actions described in paragraphs (a) and (b) of this section, the OCC may seek enforcement of the provisions of section 38 or this part

through any other judicial or administrative proceeding authorized by law.
